Students are strongly encouraged to organize and save all graded work until accurate recording of the work in Skyward has been verified.

Make-up work: Students are solely responsible to obtain and make up all their missed work. (*School District of Stratford Grade 6-12 Student/Parent Handbook*) Students will have *five (5) school days after the absence* to complete missed work. After the fifth day, the student may receive a zero(s). **Unexcused absences will result in a zero in the grade book for that day(s).**

To make up an excused absence, students must consult instructor to obtain materials or other class work missed prior to or within five (5) school days after the absence. Alternate assignment may be given to recover missing daily points.

Helpful Hints regarding absences:

- Attend class regularly. You cannot “make-up” discussions/group activities that took place.
- Schedule an appointment with your teacher, if you need extra help.
- Use your class work time wisely.

Late work policy: I will accept one late assignment (one day late). (Projects and presentations will not be accepted late, unless arranged prior to the due date.) **After the first late assignment, the student will need to complete the time management reflection and attach it to the late assignment with a reduction in grade.

Retakes: Any student can retake a written summative assessment, one time, in order to earn up to a 89% after completing one remediation. Retake needs to be completed within one week of original written assessment. Written assessment will measure the same concepts but may include different questions. “Retake” will be indicated in the comments section of the gradebook upon completion.

Posting of Grades: Grades are updated weekly. Please access the Stratford School District website and enter Skyward to view your grade for this class.
