Thomas H Lutsey Ag scholarships

<https://wasedafarms.com/scholarship/>

The AgStar Scholars Program includes:

* AgStar Scholar Scholarships – A \$2,000 scholarship awarded to each student in the program and dispersed during the fall semester of senior year.

* Orientation Session – A one-day seminar held to provide an overview of agricultural financing in general, and AgStar in particular.

* Guest Lectures – AgStar executives will present lectures focusing on specific areas within agricultural financing.

* Research Project – Each Scholar will complete a rural or agriculture-related research project and present it to AgStar and University representatives.

* Internships – Scholars have the first opportunity for a paid internship with AgStar. Assignment could cover credit, sales or special projects during the course of a 10 to 12-week period.

Funding for the AgStar Scholars Program is provided by the AgStar Fund for Rural America. To find out more about the AgStar Fund for Rural America, contact Terri Fast. Email Terri.Fast@AgStar.com, call 507-344-5108, or write to P.O. Box 4249, Mankato, MN 56002.

Marathon County Farm Progress

Days Scholarship Application - Community Foundation of North Central WI

To be considered, this application must be completed in full. Please type or print in ink. Include two letters of reference and your most recent transcript of grades. Applications must be received in the Community Foundation office **by the close of business on the first working day in February.**

Announcement of the scholarship recipients will be made at the Partnership for Progressive Agriculture Farm-City Dinner.

Candidates for this scholarship must meet the following requirements:

“ Be a Marathon County resident, or currently studying at a high school within Marathon County;

- “ Planning to pursue a degreed program, short course, or continuing education program within the University of Wisconsin, or Wisconsin Technical College System
- “ Possessing potential for successful work in the agricultural industry as indicated by past record, test data, and other supplemental information

WinField United and the Land O’Lakes Foundation are proud to support students in an impactful way. \$1,000 scholarships will be awarded annually for this purpose. The Careers in Agriculture Scholarship is based on scholastic achievement, leadership in agriculture, and a perceived ability to contribute to agriculture in the future.

The applicant must be:

- a high school senior, college freshman, or a college sophomore
- pursuing a 2 or 4 year degree in agronomy, crop production, or a closely related field
- not a dependent of anyone employed by WinField United/Land O’Lakes, Inc.
- not a previous recipient of any scholarship administered by the Land O’Lakes Foundation

Applications (with requirements) must be postmarked by: February 28
