Dear Stratford School District & Board Members:

Please accept this letter informing you of my intent to resign from the sixth and eighth-grade Mathematics Teacher position at the Stratford School District. My resignation will be effective upon completion of the 2021-2022 academic year.

I would like to thank the Stratford School District for providing me with the opportunity to educate your children. Getting to know the students and the families within this community has been my greatest pleasure. I appreciate the administration and staff who have been very supportive and provided me opportunities for both personal and professional growth.

I wish you all the best and look forward to continuing to call the Stratford community my home. If I can be of any assistance to you in the future please let me know.

Go Tigers!

Sincerely,
